

**Resolution by the Board of Directors  
Sun Vista/Sunlight Beach Homeowners Association  
April 25, 2015**

**Resolution 15-05-25-003**

**Whereas:**

It is the responsibility of Sun Vista/Sunlight Beach Homeowners' Association (hereinafter referred to as the Association) to ensure the continuous supply of potable water to properties served by the Association.

And that the Association's water system operates near or at existing capacity during peak consumption;

And that an analysis of our peak consumption is in the third calendar quarter of the year;

And that prior efforts to encourage reduced consumption through awareness has been unsuccessful;

And that our current rate structure does not currently provide sufficient economic incentive to keep consumption levels from reaching existing capacity levels;

Now be it **Resolved:** That the Association change the rate structure of the Association, beginning July 1, 2015 to the structure that follows:

Base connection fee -	\$65.00 (as currently exists)
0-1,499 cubic feet -	\$0.01/cubic foot (extends existing lowest tier currently at 1,000 cuft.)
1,500-2,999 cubic feet -	\$0.05/cubic foot
3,000 and up cubic feet -	\$0.15/cubic foot (lowers top tier currently at 10,500 cuft., increases by consumption fee by \$0.03/cuft.)
