

**Resolution by the Board of Directors  
Sun Vista/Sunlight Beach Homeowners Association  
December 4, 2021**

**Resolution 21-04-12-001**

**Whereas:**

It is the responsibility of Sun Vista/Sunlight Beach Homeowners' Association (hereinafter referred to as the Association) under the clean drinking water act to develop a wellhead protection program;

And that our Well Head Protection Plan showed that the maximum number of dwellings with septic systems that could be constructed within our zone of contribution consistent with maintaining the integrity of our water supply is four;

And that at least four such lots are already in the Association's service area;

And that the Association's bylaws specify that membership in the Association shall be limited to owners of real property included in the Washington State Department of Ecology Permit to Appropriate Public Waters #G1-26066-P for Island County, State of Washington;

Now be it **Resolved:** We (the Association) will place a moratorium on expansion of our service area beyond properties already served and/or listed in Water Right Permit G1-26066P.
